

DPD-6600-59

29 September 1959

MEMORANDUM FOR: Materiel Branch/AMS/DPD

SUBJECT : Radio Equipment for Twin Helio

1. Request you take necessary action to procure and install the radio equipment in the twin Helio as outlined in the attached ARC proposal.

2. I have been informed by [redacted] that adequate funds have been set aside to provide for the purchase and installation of this equipment. It is not necessary to state the frequencies desired in the secondary VHF set at this time.

25X1

3. Developments Branch, DPD, will monitor the installation of the equipment.
